Happy Friday, everyone! I hope this finds you well. I'm reaching out to invite you to an event I'm co-organizing during [AVL Beer Week](#) to celebrate sustainable brewing in Asheville. This is a FREE event, including hors d'oeuvres and a free drink ticket, at the **Wicked Week Funkatorium (147 Coxe Ave) on Tuesday, May 21 from 6-8pm**. All are welcome and I look forward to seeing you there! **Please RSVP by Sunday, May 12th** so we can get an accurate headcount: <https://tinyurl.com/avlbeerweek>

In between ample time to mix, mingle and make new connections, Audra Gaiziunas, Owner of Brewed for Her Ledger, will deliver an inspiring keynote before we dive into how brewers can reduce costs, energy use and their carbon footprint with a brief panel discussion. Several local breweries will also be recognized for participating in a recent study evaluating their energy use and local companies and organizations will have tables set up to showcase their sustainability efforts.

It would be a huge help if you could spread the word by forwarding this email to your contacts and/or promoting it via social. If you're up for it, here's suggested LinkedIn and Facebook share copy to make it as easy as possible:
